

## **AGENDA**

### **GARDNER CITY COUNCIL**

City Hall – 120 East Main Street -- Gardner, Kansas  
Monday, April 5, 2021  
7:00 p.m.

**\*If you wish to provide written public comment regarding any items below by email, please provide them by noon on April 5, 2021 to [cityclerk@gardnerkansas.gov](mailto:cityclerk@gardnerkansas.gov). The meeting will be open to the public \***

**\*Watch this meeting live on the City's YouTube channel at <https://www.youtube.com/user/CityofGardnerKS> \***

#### **CALL TO ORDER**

#### **PLEDGE OF ALLEGIANCE**

#### **PRESENTATIONS**

1. Proclaim the month of April as Autism Awareness and Acceptance Month in the City of Gardner, Kansas
2. Johnson County Commissioner Shirley Allenbrand

#### **PUBLIC HEARINGS**

#### **PUBLIC COMMENTS**

Members of the public are welcome to use this time to make comments about City matters or items on the agenda that are not part of a public hearing

#### **CONSENT AGENDA**

1. Standing approval of the minutes as written for the regular meeting on March 15, 2021
2. Standing approval of City expenditures prepared March 8, 2021 in the amount of \$2,504,767.19; March 12, 2021 in the amount of \$421,773.07; March 18, 2021 in the amount of \$1,498,024.04; March 19, 2021 in the amount of \$204,226.39; and March 26, 2021 in the amount of 471,350.66
3. Consider approving the City's contribution to health insurance premiums for the 2021-2022 plan year
4. Consider authorizing the execution of Change Order #1 for the extension of the Prairie Trace East Sewer Interceptor project
5. Consider authorizing an agreement with Charter Communications Operating, LLC for 500Mbps fiber internet service for Gardner City Hall
6. Consider authorizing the execution of a contract extension with BHC Rhodes for construction observation services at Tuscan Farms
7. Consider executing an agreement between WaterOne, Grata, and Gardner associated with the Prairie Trace waterline extension project
8. Consider authorizing the execution of a contract with Gardner Disposal, Inc. for the 2021 City-Wide Clean Up

#### **PLANNING AND ZONING CONSENT AGENDA**

#### **COMMITTEE RECOMMENDATIONS**

#### **OLD BUSINESS**

#### **NEW BUSINESS**

1. Consider accepting a voluntary annexation with landowner consent
2. Consider adopting an ordinance amending section 9.20.020(A) of the Gardner Municipal Code relating to exemptions to open burn permits

#### **COUNCIL UPDATES** – Oral presentation unless otherwise noted

#### **EXECUTIVE SESSION**

#### **ADJOURNMENT**

In compliance with the Americans with Disabilities Act, the City of Gardner will provide reasonable accommodations for all public meetings. Persons requiring accommodations in attending any of our public meetings should contact the City Clerk's Office at 913-856-0945 a minimum of 48 hours prior to the meeting.

# PROCLAMATION

**WHEREAS**, Autism Spectrum Disorder (ASD) is a complex neurological and developmental disorder; it can affect each person differently, resulting in unique strengths and weaknesses; and,

**WHEREAS**, autism is the third most common developmental disability, affecting 3.5 million individuals nationwide, often accompanied by medical conditions that impact quality of life; and,

**WHEREAS**, as more health professionals become proficient in diagnosing autism, more children are being diagnosed on the autism spectrum, resulting in rates as high as 1 in 54 children nationally, and,

**WHEREAS**, autism can cause challenges with verbal and nonverbal communication, social interaction, and repetitive behaviors, and can affect anyone, regardless of age, race, ethnicity, gender, or socioeconomic background; and,

**WHEREAS**, a comprehensive, collaborative approach will help to advance research, providing a better understanding of the many forms of autism, while strengthening advocacy efforts and ensuring access to services and resources through the life span; and,

**WHEREAS**, early diagnosis and intervention tailored to individual needs can have lifelong benefits, easing the transition to adulthood and fostering greater independence; and,

**WHEREAS**, each person and family affected by autism should have access to reliable information, support, and opportunities to live up to their greatest potential.

**NOW, THEREFORE BE IT RESOLVED**, that I, Steve Shute, Mayor of the City of Gardner, Kansas, do hereby proclaim April 2021 as

## **Autism Awareness and Acceptance Month**

in Gardner, Kansas, to increase understanding and acceptance of people with autism spectrum disorder, and to address the diverse needs of individuals and families affected by autism.

In witness whereof, I have hereunto set my hand and caused the Seal of the City of Gardner, Kansas to be affixed this 5th day of April 2021.

CITY OF GARDNER, KANSAS

\_\_\_\_\_  
Steve Shute, Mayor

Attest:

\_\_\_\_\_  
Sharon Rose, City Clerk

(SEAL)

## **COUNCIL ACTION FORM**

## **PRESENTATION ITEM NO. 2**

**MEETING DATE:** APRIL 5, 2021

**STAFF CONTACT:** STEVE SHUTE, MAYOR

---

**Agenda Item:** Commissioner Allenbrand

**Strategic Priority:**

**Department:** Governing Body

---

**Background/Description of Item:**

Johnson County Commissioner Shirley Allenbrand will address the City of Gardner governing body and residents of District 6.

**RECORD OF PROCEEDINGS  
OF THE GOVERNING BODY  
CITY OF GARDNER, KANSAS**

Page No. 2021 – 31

March 15, 2021

The City Council of the City of Gardner, Kansas met in regular session on March 15, 2021, at 7:00 p.m. in the Council Chambers at Gardner City Hall, 120 East Main Street, Gardner, Kansas, with the Mayor Steve Shute presiding. Present were Councilmembers Todd Winters, Mark Baldwin, Randy Gregorcyk, Tory Roberts, and Kacy Deaton. City staff present were City Administrator James Pruetting; Deputy City Administrator Amy Nasta; Finance Director Matthew Wolff; Police Chief James Belcher; Utilities Director Gonzalo Garcia; Parks and Recreation Director Jason Bruce; Community Development Director David Knopick; Public Works Director Kellen Headlee; City Attorney Ryan Denk; and City Clerk Sharon Rose. Others present included those listed on the sign-in sheet and others who did not sign in.

**CALL TO ORDER**

There being a quorum of Councilmembers present, Mayor Shute called the meeting to order at 7:00 p.m.

**PLEDGE OF ALLEGIANCE**

Mayor Shute led those present in the Pledge of Allegiance.

**PRESENTATIONS**

**PUBLIC HEARINGS**

**PUBLIC COMMENTS**

Dennis Watson, 670 S. Mulberry, said it is good to see the open forum return. He offered his thanks to the city for excellent and timely snow removal. His neighborhood was back in operation quickly. He noted the national condition and the division in the nation. A group of his friends is praying for the nation and the city. They are praying for unity and peace within the city. They appreciate and respect what the city does. Mayor Shute said prayers are greatly appreciated and taken to heart.

**CONSENT AGENDA**

1. **Standing approval of the minutes as written for the regular meeting on March 1, 2021**
2. **Standing approval of City expenditures prepared February 26, 2021 in the amount of \$819,386.51; March 1, 2021 in the amount of \$1,627,390.22; and March 5, 2021 in the amount of \$1,072,688.24**
3. **Consider authorizing the execution of a construction contract for the Hilltop Ridge Benefit District Projects**
4. **Consider a recommendation to appoint City of Gardner representative to the Kansas Municipal Energy Agency Board of Directors**
5. **Consider authorizing the execution of a service contract with Denali Water Solutions, LLC. for the 2021 Hillsdale WTP Waste and Residuals Pond Cleanout Project**

Councilmember Baldwin made a motion to approve the Consent Agenda.

Councilmember Deaton Seconded.

With all of the Councilmembers voting in favor of the motion, the motion carried.

**PLANNING & ZONING CONSENT AGENDA**

**COMMITTEE RECOMMENDATIONS**

1. **Consider adopting an ordinance incorporating proposed Land Development Code amendments**

Community Development Director David Knopick said this is a series of administrative amendments. Knopick gave a presentation on the proposed amendments. Staff had a public hearing at the Planning Commission in February. They addressed six different topic areas. Knopick summarized the areas and proposed changes, which

**RECORD OF PROCEEDINGS OF THE GOVERNING BODY  
CITY OF GARDNER, KANSAS**

Page No. 2021 - 32

March 15, 2021

were also provided in the council agenda packet. There were no public comments at the public hearing. Planning Commission has recommended approval of the proposed amendments.

Councilmember Gregorcyk thanked staff for this item. He noted that predecessors did a lot of work on this. He noted the tree item; a tree can go either between the curb and sidewalk, or on the opposite side of the sidewalk parallel the curb and not between the space. Director Knopick confirmed. The discussed only including the area between curb and sidewalk, but a graphic in the LDC shows a strip on the other side of the sidewalk. It gives them more flexibility regarding street trees. Gregorcyk asked if a house is built in a new subdivision, would the house tree count as the tree just discussed. Knopick said no, not currently. There is a requirement for a front yard tree that is in addition to the street trees. Gregorcyk asked if there is any pre-site plan meetings with developers. Knopick encourages two. One is specified in the code. A pre-application meeting is required so staff can make comments before they make their formal application. Knopick has been encouraging developers to come in during a discovery stage, but that's not set by code. It's costly to bring something for pre-application. Staff will meet with them at the discovery stage for any red flags early in the process and get as much information to them and their professional teams. Once they put pen to paper, they start incurring costs. The intent is to have two meetings before a formal application is made. Staff doesn't want to bring partial applications forward because the review process only allows time for one iteration, maybe two, but that is very expensive. Gregorcyk was made aware of that and spoke with developers who were very positive about the process. It creates a good partnership.

Councilmember Winters thanked the staff. How often will this be updated, once a year? Director Knopick said at least once a year or more frequently. Staff will be responsive as issues come up. Some items can be dealt with right away; others may require study session.

Councilmember Baldwin said he is glad to see some things that came up in recent years are being addressed.

Councilmember Deaton said before she was appointed, she was on Planning Commission. They had issued a CUP for the mobile home park. With this change, will they need to come back? Director Knopick said they have been approved so the CUP will stay in effect. If council adopts the ordinance and amendments and it is published, they will be held to that as the standard. They will not have to renew their CUP.

Mayor Shute asked about the discrepancy in zoning classifications for a manufactured micro home community. Director Knopick said staff has drafted some changes to that section of the code that will change the meaning of that district. It won't be manufactured mobile home micro home community district; it will be residential small format home district. It will be discussed with the Planning Commission, but he wanted to set up definitions. It will change regulations to give flexibility to the size of house and size of lot. These will be homes under 1500 sq ft on lots that are proportional for the size of the home. Shute asked if there will be flexibility for coverage on the lot. Knopick said it's important on the smaller formats to allow flexibility. There are developments where the lot size is 5 feet around the home. It wouldn't meet the city's setbacks. There are many things that will come through the development review process, and they have the ability to deviate from them. They will come with more amendments. Shute asked if the administrative adjustments are just for planned project or unplanned and planned, and is there going to be a different standard within the planned developments. Knopick said in residential categories, they have development plans. They have 100% discretion. There are things they can deviate from and not enforce in the development plan, but does need to meet an equal to or better standard. That's what the Planning Commission assesses when applicants make a request or deviate. When there's no development plan required or no administrative site plan necessary, the minimum standards stay in place so the city maintains a certain quality of development proposal. The layering system of discretion is important, is 10% enough for staff, 20% enough for Planning Commission? They will see how this works. A set back of .5 ft or 1 ft doesn't seem like much, but when it may be 10% of all the spaces in a parking lot, it's a loss of 10 spaces or more. For the development plan, there is discretion built in to the deviation request and approval process, and there's not a lot of different planning. Single-family homes require plot plans. They are looking at it as an administrative approval process. If the developer wants more than staff can grant them, they will funnel them through the appropriate process. Shute said they need to discuss whether the existing land development code and design standards are weighted too heavily to single family. It's shelved for now, but will need to discuss it in the near future. Knopick will have worksessions with Planning Commission.

**RECORD OF PROCEEDINGS OF THE GOVERNING BODY  
CITY OF GARDNER, KANSAS**

Page No. 2021 - 33  
March 15, 2021

Councilmember Gregorcyk made a motion to approve adopt an ordinance amending the Land Development Code of the City of Gardner, Kansas by amending sections of Title 17 of the Gardner Municipal Code.

Councilmember Deaton Seconded.

With all of the Councilmembers voting in favor of the motion, the Ordinance passed and was assigned Ordinance number 2695.

Deaton:	Yes
Winters:	Yes
Gregorcyk:	Yes
Roberts:	Yes
Baldwin:	Yes

**OLD BUSINESS**

**NEW BUSINESS**

**COUNCIL UPDATES**

Deputy Administrator Nasta reported they are working on an update for the Parks Master Plan. As ex-officio for the PRAC, Council President Winters will be participating in the task force meetings, along with various members of staff and community stakeholders. The meetings will be scheduled soon, and a community survey will be sent out in the near future. The master plan will need to go through PRAC, Planning Commission, and Council. They hope to do that by late summer or early fall.

Mayor Shute asked Finance Director Wolff for a clarification on rates and dollar amounts with regard to gas and electric. City Administrator Pruetting said there was consensus to put together a subcommittee at last meeting. Their first meeting is tomorrow. Council Vice-president Baldwin is the ex-officio. Shute said there are additional costs that have come in. Pruetting said the intent of GRDA was to spread cost over years.

Mayor Shute asked about Planning Commission. City Clerk Rose sent out applications for review, and is waiting to hear back from the interview team to set up interviews.

Director Bruce said youth soccer starts soon, and staff is preparing for the first baseball tournament of the season. Shute asked about the pool, have they received any more guidance? Bruce said they received information from the county last week. Staff will begin looking at what other agencies are doing to move forward

Director Knopick reported that the Planning Commission is meeting next Monday evening.

City Administrator Pruetting said during the recent appointment process for council, there was some question about terms and language in the charter and the Governing Body Rules of Procedure. Before staff works on clarifying the language, he wants to make sure the direction is clear to follow precedent of filling the term of the seat. Mayor Shute asked for consensus. Councilmember Roberts thinks it should be through the next election, not the term for the seat. That would get someone installed sooner that was voted in. Roberts said she was appointed before, and residents treated her differently than when was elected. It's better representation to do it the next election. Councilmember Deaton said as the appointed person, she understands. If there are two people appointed in a cycle, it becomes a continuity issue, so she supports filling for the term. Councilmember Gregorcyk said it needs to be at the behest of the citizens through an election process. Councilmember Baldwin said having the citizens make the decision is best, but the problem is if they have multiple appointments, there is an issue with continuity. It could change the entire dynamic in one election, instead of having it staggered two and three like now. Staggering is best to keep the body working forward instead of large transitions. Councilmember Winters said staggering is important, but is there anything in the middle. Shute asked if he meant a special election. If someone is appointed to the remaining three years of the term and there's an upcoming election, they can have a special election, but it would only be for two years so the replacement would only serve two years. Deaton asked, since they are at-large, who gets the two year term? Shute said the person in the special election. Anyone with two years left in a term would stay until the next regular election. Anything more than two years would stay until a

**RECORD OF PROCEEDINGS OF THE GOVERNING BODY  
CITY OF GARDNER, KANSAS**

Page No. 2021 - 34

March 15, 2021

special election. Gregorcyk said the special election is based on appointment. Shute agreed, and said it would only be for that position, but the actual term still stays with that position. As an example, if an appointment is made in January of this year, and an election is in November, there would be a special election for the appointed position in addition to the regular election for a mayor and two council seats. Whoever wins the special election for the appointed seat would serve two years until the next regular election for that seat. Gregorcyk asked Pruetting to examine precedence. Deaton said if 5 people wanted to run for council, they would file for the two regular seats; those interested in the special election would file only for the special election of the two-year term. Shute said this would maintain the staggering. Roberts asked if they would have the special election at the same time as the regular election. Shute confirmed they would happen at the same time. It would be fair and foster continuity. Gregorcyk said there's precedence out there. Gardner isn't the only community coming to this conclusion. Shute said staff can research options. Shute clarified this is for future appointments, not the most recent one.

City Administrator Pruetting said the air show is planning their event July 2-4. This overlaps with the city's event, but staff have secured the parking they need. The city will be supplementing with law enforcement for the air show, but will be fully staffed for the city's event. Mayor Shute noted this will be during the Main St construction. Pruetting said the letting for 56 isn't until mid-July. Councilmember Gregorcyk noted the economic impact, referencing previous Blue Angel air shows lead to \$700 per participant on the economy of the community. It will be a large boon for the city. Pruetting said that will depend on parking. They are parking attendees at Garmin and the Olathe District Activity Center and shuttling in.

Mayor Shute addressed correspondence that was sent to the Johnson County Board of Commissioners last week regarding fire district appointments. County commissioners are free to make those appointments. The issue that he, the council president, and vice-president had, those individuals are elected representatives of the council, is that they did not have time to have special meeting to get input from all council members. Anyone else on the letter would have constituted a KOMA violation. They were informed of an action that directly impacts the jurisdiction two days before the final action took place at the BOCC meeting. Shute had discussions with the commissioner and was assured that when decisions were to be made on the board that the mayors of those cities would be consulted on those appointments. That did not happen with Gardner. It did happen at Edgerton and Spring Hill. Edgerton's mayor recommended an appointment. Spring Hill declined, because their mayor was not going to run for reelection and did not want to make that decision when that seat wouldn't be filled until after the contract started. Gardner was not consulted, that's why the letter was written. It wasn't about who was appointed, but how it happened. They were being dictated to by the county. It was that they weren't consulted, like others. It had nothing to do with who was appointed, but that the city wasn't consulted in the appointment process.

Councilmember Roberts asked what is the leadership team, who is on it, when do they meet, what is discussed, are any actions take, and what other teams are there that aren't shared? Shute said the leadership team has always been the mayor, president and vice president of the council. They are in the line of succession, but they speak for the governing body in cases when they can't have a quorum because of KOMA. Roberts said she had not heard of the leadership team before. When they elected the president and vice president, they aren't saying these people will make decisions or send letters on the governing body's behalf. It's for succession, not a decision-making board or communication board. Councilmember Winters said the leadership team went back to a previous city administrator. Roberts hadn't heard of it. They get emails regarding appointments that ask for comments or concerns. There are emails and communications that they base decisions on. Shute said if there's consensus that going forward emails sent to the county commission council will be informed he would do that. Roberts asked how many emails there are. Shute said this was the first one that he's aware of. What they were told was that the mayor would be consulted, and if he were consulted, he would consult the governing body. Edgerton was asked, and they met in chambers and selected someone. Roberts doesn't dispute that the city should have been contacted, she was unaware of the leadership team. Shute said they needed members of council on the letter to give it standing to make their case. There aren't other teams; they don't run in secrecy. They reacted to a situation when they were blindsided. They were never told by the county commissioner or chair that the existing representative was being replaced. The city already had a representative on the fire board. Councilmember Gregorcyk said Dr. Cook has not been replaced. Shute said he hasn't because the city fought

**RECORD OF PROCEEDINGS OF THE GOVERNING BODY  
CITY OF GARDNER, KANSAS**

Page No. 2021 - 35

March 15, 2021

that. Shute asked the commissioner if she was replacing Dr. Cook. She initially said yes. Shute asked if she contacted Dr. Cook about the appointment, and she hadn't. He suggested she should do that before replacing him. Shute said that's when other decisions were made. Spring Hill's position on the fireboard is being taken by Gregorcyk or Cook. He doesn't mind having two Gardner reps, but it's unfair to Spring Hill. They deserve representation. Gregorcyk noted he was the one appointed. He finds it interesting that the three upset about the commissioner's appointment decided a self-labeled leadership team required consultation. The rest of them haven't heard of this leadership team. He commented in the newspaper that the president and vice president are purely for succession. He doesn't think the 'leadership team' term should be used moving forward. The 'leadership team' term in a municipality that's supporting the community through policy governance doesn't make sense. Winters notes the letter was from the leadership team, but they were asking that the entire governing body be consulted. Gregorcyk doesn't think the term 'leadership team' should be used. Shute said they won't use it. Councilmember Deaton said she has heard of the leadership team before, sitting in the audience. Gregorcyk said the term shouldn't be used. Shute said they won't use it. Shute noted that Gregorcyk was asked for comment by the newspaper, and the author of the story said that Shute was also asked for comment, but Shute never received any correspondence. They misrepresented his stance. This discussion is because they were blindsided and found out two days before the final action on the meeting. They should have been contacted by the county commissioner or the individual seeking appointment of their interest in representing Gardner on that board. That individual went behind the governing body to get that appointment. Councilmember Baldwin noted he is new to the leadership team, and it's existed for a while. He said the county commission dropped the ball. The fire board seems similar to a water district, which is elected. The fire board's decisions have a taxing impact. They should be elected. They should have codified when they changed the board size from three to five, getting representation from each of the cities under FD1, plus one from an unincorporated area and one at-large. The only requirement they currently have is the appointee has lived here for three years, no age requirement, no experience, and no criminal history. The commissioner refused to cite any criteria used for her appointment. The residents should push the county to make changes to improve this board. Since it's appointed, the commissioner can select who she wants, but another commissioner voted no on the appointment due to lack of resume, not of the person, but the transparency. The other commissioners were rubber-stamping the appointment. Why the commissioner spoke with Spring Hill and Edgerton mayors, but not Gardner, is interesting. Was it because it was an appointment she could make and Councilmember Gregorcyk lobbied for it, so she didn't feel the need to reach out to the city? If so, that's a negative first interaction. Commissioner Allenbrand was supposed to address the governing body a few meetings ago and canceled; that would have been a good time to mention the fire board appointment. Where was her announcement to all of District 6 explaining the fire board was expanding and positions were open? She doesn't have an obligation to solicit potential appointees. The city of Gardner wasn't solicited, referring to the residents. Baldwin asked why Gregorcyk didn't mention it on the dais or on social media. Baldwin said it has appearances of maneuvering behind residents' backs. Allenbrand had asked other cities for recommendation, not Gardner. Baldwin would have suggested not choosing from the governing body, but opening the recommendation up to residents like other appointments. Not notifying the city is one thing, but for the entire city to not be notified is shameful. It's taxation without representation. The new appointee owes an explanation to the residents as to why he will be a good representative. He can be a liaison from the governing body and the fire board and provide updates. Gregorcyk said those are valid questions, and he recommends contacting the commissioner directly. She is scheduled to visit with council April 5. The fire district levied their mills to build a new firehouse in Edgerton. Gregorcyk didn't disagree with the firehouse based on service area, but agrees with Baldwin that they had taxation without representation. Gregorcyk talked with Pruetting and Shute about it and vocalized it. He did not know at that time that the commissioner intended to change the fire board. Gregorcyk was called to meet with Chief Kirk and told him of concerns with the lack of representation. Gregorcyk didn't know who Dr. Cook was. Gregorcyk talked with Chairman Eilert on the phone who put him in touch with the commissioner. They had similar ideas about the lack of representation. The commissioner asked him as a citizen if he would be on the fire board. He said he would follow processes and put in an application. He applied, and didn't know who else the commissioner may have been talking with. Gregorcyk looks forward to providing representation to the entire city, and to sharing information in a legitimate way. By no means was this a maneuver. That's the way it was perceived. The leadership team comment is appalling, as much as they perceived this as a maneuver. Gregorcyk

**RECORD OF PROCEEDINGS OF THE GOVERNING BODY  
CITY OF GARDNER, KANSAS**

Page No. 2021 - 36

March 15, 2021

encouraged Baldwin to get his questions to the commissioner. Baldwin said this wasn't about the 'who' but the what. It could have been Gregorcyk applying as a citizen, and he doesn't have to tell anyone he applied. Baldwin said it's not good leadership from an elected official of the city to not share that another taxing authority, another elected body, is doing something that affects the citizens. Shute noted that the letter referenced was public record. The application filed for the position was never opened to the public. Gregorcyk didn't know about the letter until he watched the Board of County Commissioners meeting. How was it public? Shute said it was read publicly to the board. They drafted the letter the day before the board meeting. Gregorcyk said it wasn't circulated through the governing body represented by the leadership team. The commissioner who declined to vote for him said she had received the letter and commented about it. Until that time, he didn't know it existed, if it was made public. Shute said it became public record as soon as it was submitted to the county. Gregorcyk clarified if it was known to exist, it would become public. Roberts said in the future, if letters are sent, could they send it through the rest of the governing body. She didn't know about it until she read the newspaper. Shute said they can send it through the city clerk. Roberts said it should be made public to residents. Shute said they can do that. They ran out of time. Winters said this is the first this has happened. Roberts said they are talking through it so there isn't confusion next time.

Councilmember Deaton said it was good to see they are getting bids for big trash day. There's a lot of discussion on social media. She wanted to communicate to the citizens that they are getting bids, but that doesn't guarantee it will happen.

Councilmember Gregorcyk thanked everyone for their input. He never intended to jade the process on behalf of the county commission. Gregorcyk will share an email he received from Lori McClintock. She has lived in Gardner over 30 years. She supports the Gardner News and the use of taxpayer dollars to support the Gardner News. Gregorcyk noted his excitement that they are looking to potentially open the pool. The pool and big item trash day are big issues.

Mayor Shute said they disagree from time to time, but they continue serving the people of the community. They have discussions out in the open, and then move on and continue to work to make Gardner a better place for everyone.

**ADJOURNMENT**

There being no further business to come before the Council, on a motion duly made by Councilmember Gregorcyk and seconded by Councilmember Winters the meeting adjourned at 8:14 p.m.

---

## COUNCIL ACTION FORM

## CONSENT AGENDA ITEM NO. 3

**MEETING DATE:** APRIL 5, 2021

**STAFF CONTACT:** ALAN ABRAMOVITZ, HUMAN RESOURCES MANAGER  
MATT WOLFF, FINANCE DIRECTOR

---

**Agenda Item:** Consider approving the City's contribution to health insurance premiums for the 2021-2022 plan year

**Strategic Priority:** Fiscal Stewardship

**Department:** Administration

---

### Staff Recommendation:

Staff recommends the City's continued contribution to employees' health insurance premiums of 100% to the high deductible health plan (HDHP) *CF 1500 Single* and an amount equal to 82% of the *HDHP CF 1500* for *Tier II and Family*, equating to \$536.21 for *Single*, \$1,020.09 for *Tier II*, and \$1,209.16 for *Family*; and continue to fund employees' Health Savings Accounts (H.S.A.'s) "up front" at \$1,500 for *Single* and \$3,000 for *Tier II and Family*; and continue the City's contributions to the *PPO 1, 2, and 3* plans to an amount equivalent to 80% of the premiums:

- For PPO 1 the City would contribute \$502.56 for *Single*; \$1,165.94 for *Tier II*; and \$1,382.05 for *Family*;
- For PPO 2 the City would contribute \$535.81 for *Single*; \$1,243.07 for *Tier II*; and \$1,473.46 for *Family*; and
- For PPO 3 the City would contribute \$544.17 for *Single*; \$1,262.47 for *Tier II* and \$1,496.46 for *Family*; and

continue the contribution to employees' vision insurance premiums at 100% / 80% equating to \$6.50 for *Single*, \$9.77 for *Tier II*, and \$13.91 for *Family* coverage; and

continue the contribution of 50% of dental insurance premiums at \$20.43 for *Single* and \$50.87 for *Family*.

### Background/Description of Item:

An important component of the Priority-Based Budgeting process is to evaluate previous budget decisions.

Following input from the Employee Engagement Committee, in 2016 Council approved increased funding to 80% of all health insurance plans (and continued 100% funding of HDHP *Single*) to provide additional affordable choices to employees and also included funding for a Wellness Program.

Subsequently in 2017, Council continued the 80% funding level for all plans (except HDHP) for the 2017-2018 plan year to continue providing affordable employee choices. However, Council incentivized participation in HDHP plans by increasing City funding for HDHP plans to 82% (vs. 80% for all others) and increasing "up front" funding of H.S.A.'s to fully cover deductibles, thus further encouraging employee wellness.

At the March 16, 2020, City Council meeting, Council elected to switch insurance coverage away from Cigna through Midwest Public Risk to Humana. Humana offers cost control measures such as an employee engagement program (Go365), which incentivizes wellness and provides discounts to overall premiums based on staff participation, and a Total Health Contract, which provides a rate cap in years two and three of the plan based on claims.

For 2021, the blended rate change for all health insurance premiums was steady at -0.02%; dental premiums increased by approximately 10%, while visions premiums were unchanged.

**Financial Impact:**

The City's estimated total cost for health, vision, and dental insurance across all funds for the 2021-2022 plan year is \$1,771,000.

It is important to remember that the City's insurance plan year is July 1, 2021 – June 30, 2022, crossing multiple budget years.

**Attachments Included:**

- N/A

**Suggested Motion:**

Approve the City's contributions to health, vision, and dental insurance premiums for the 2021-2022 plan year (all dollar amounts as noted in "staff recommendation" above):

- 100% for *CF1500 Single* (HDHP) and 82% of *CF 1500* (HDHP) *Tier II* and *Family*
- 80% contribution to all other health insurance plans; and

fund employees' H.S.A.'s "up front" at \$1,500 for *Single* and \$3,000 for *Tier II* and *Family*; and

contribute to employees' vision insurance premiums at 100% for *Single* and 80% for *Tier II* and *Family*; and

contribute 50% of dental insurance premiums

## COUNCIL ACTION FORM

## CONSENT AGENDA ITEM NO. 4

**MEETING DATE:** APRIL 5, 2021

**STAFF CONTACT:** GONZ GARCIA, UTILITIES DIRECTOR

---

**Agenda Item:** Consider authorizing the execution of Change Order #1 for the extension of the Prairie Trace East Sewer Interceptor project

**Strategic Priority:** Fiscal Stewardship  
Infrastructure and Asset Management

**Department:** Utilities – Wastewater Division

---

### **Staff Recommendation:**

Staff recommends authorizing the City Administrator to execute Change Order #1 for \$60,112 for the extension of the Prairie Trace East Sewer Interceptor to Manhole A21 for Project No. ED-2001.

### **Background/Description of Item:**

On November 2, 2020 City Council approved a contract for Pro Design Contractors in the amount of \$381,740 for the Prairie Trace East Sewer Interceptor project. The Notice to Proceed was issued for December 14, 2020 to Pro Design Contractors. Prior to final design and bidding, it was determined that the sanitary sewer extension from manhole A18 to A21 was not required to provide service, and the developer was not moving forward with that portion of the development at that time. Therefore, the improvements as part of this Change Order were not bid. Recently, the developer has decided to move forward with the New Trails Parkway plat and permitting process, which requires the need for these improvements to be installed.

In extending the sanitary sewer under the current contract and utilizing the current contractor, Pro Design Contractors, construction costs will be reduced because they are currently on site. This eliminates mobilization costs, along with the labor already on site to complete this project. Pro Design has also been coordinating and working with the developer's contractor on this project to meet the timelines of the existing contract. This Change Order will allow for the work to be completed in a timely manner and ensure construction continuity.

Utilities staff performed a review of Pro Design Contractors' proposal including but not limited to material costs, qualifications, material manufacturer specifications, and constructability review. It's recommended to authorize Pro Design Contractors to proceed and execute the proposed Change Order under the current ED-2001 project without further delay or impacts.

### **Financial Impact:**

The Prairie Trace sewer improvements will be financed with G.O. Bonds, and debt service payments will come from the Wastewater Fund.

### **Attachments included:**

- Pro Design Contractors Change Order No. 001

### **Suggested Motion:**

Authorize the City Administrator to execute Change Order #1 for the extension of the Prairie Trace East Sewer Interceptor to Manhole A21 in the amount of \$60,112.

## CHANGE ORDER

PROJECT NAME: Prairie Trace East Sewer Inter Change Order No. 001

## COUNCIL ACTION FORM

## CONSENT AGENDA ITEM NO. 5

**MEETING DATE:** APRIL 5, 2021

**STAFF CONTACT:** AMY NASTA, DEPUTY CITY ADMINISTRATOR

---

**Agenda Item:** Consider authorizing an agreement with Charter Communications Operating, LLC for 500Mbps fiber internet service for Gardner City Hall

**Strategic Priority:** Infrastructure and Asset Management  
Fiscal Stewardship

**Department:** Administration

---

### **Staff Recommendation:**

Staff recommends authorizing the City Administrator to enter into an agreement with Charter Communications Operating, LLC for 500Mbps fiber internet service for Gardner City Hall.

### **Background/Description of Item:**

The City of Gardner's agreement with Centurylink for 200Mbps service is set to expire on May 19, 2021. Staff requested pricing for internet service from the following companies: Centurylink and Charter (Spectrum), the only providers currently offering this type of service in the area, per the City's IT Manager.

Under Section 30.7 of the City of Gardner's Purchasing Policy "The formal bid process may be waived by the City Administrator if deemed in the best interest of the City. A written description of the selection process or the basis of the waiver shall be included in the documentation associated with the purchase order or contract". The formal solicitation as would typically be required for a contract of over \$50,000 has been waived for this item as there are only two (2) sources for this service currently available. Pricing was instead obtained through informal solicitation.

Charter (Spectrum) was the only provider to respond to the request for pricing.

### **Financial Impact:**

The cost for the fiber connection is \$950 per month, or \$11,400 per year.

- This equates to a total cost of \$57,000 over the life of the contract.

The current cost for the City's 100Mbps service is \$1,263 per month, or \$15,156 per year

- This equates to a savings of \$3,756 per year, or \$18,780 over the five year term of the proposed contract.

### **Attachments included:**

- Charter Communications Operating, LLC agreement

### **Suggested Motion:**

Authorize the City Administrator to enter into a five-year agreement with Charter Communications Operating, LLC for 500Mbps fiber internet service for Gardner City Hall at a cost of \$950 per month

## Customer Service Order

THIS SERVICE ORDER ("Service Order"), is executed and effective upon the date of the signature set forth in the signature block below ("Effective Date") and is by and between Charter Communications Operating, LLC on behalf of those operating subsidiaries providing the Service(s) hereunder ("Spectrum") and Customer (as shown below) and is governed by and subject to the Spectrum Enterprise Commercial Terms of Service posted to the Spectrum Enterprise website, <https://enterprise.spectrum.com/> (or successor url) or, if applicable, an existing services agreement mutually executed by the parties (each, as appropriate, a "Service Agreement"). Except as specifically modified herein, all other terms and conditions of the Service Agreement shall remain unamended and in full force and effect.

## COUNCIL ACTION FORM

## CONSENT AGENDA ITEM NO. 6

**MEETING DATE:** APRIL 5, 2021

**STAFF CONTACT:** KELLEN HEADLEE, PUBLIC WORKS DIRECTOR

---

**Agenda Item:** Consider authorizing the execution of a contract extension with BHC Rhodes for construction observation services at Tuscan Farms

**Strategic Priority:** Promote Economic Development, Fiscal Stewardship, Quality of Life, Infrastructure and Asset Management

**Department:** Public Works

---

### **Staff Recommendation:**

Staff recommends authorizing the execution of a contract extension with BHC Rhodes to provide additional funding for construction observation services for the installation of the sanitary sewer main and lift station at Tuscan Farms.

### **Background/Description of Item:**

Tuscan Farms First Plat - Phase 1 is a single-family development located on the west side of Gardner Road, immediately south of the Nike Middle School. Brungardt Honomichl & Co., P.A., (BHC Rhodes) is currently under contract for performance of construction observation/inspection of the Tuscan Farm sanitary sewer at hourly rates.

This work includes construction services and construction observation of the street, storm sewer, waterline, sanitary, force main, lift station and related improvements for the installation of the Tuscan Farms improvements.

Due to weather and unforeseen field conditions, the anticipated duration of construction observation services required from BHC Rhodes has exceeded the original funding amount. In an effort to maintain continuity throughout the project cycle, staff recommends authorizing additional funding be added to the original contract amount to allow BHC Rhodes to finish the inspection and paperwork to close out the project.

### **Financial Impact:**

The fee negotiated with BHC Rhodes to perform the work is not to exceed \$10,000. Costs will be charged to the Tuscan Farms Lift Station Special Benefit District.

### **Suggested Motion:**

Authorize the City Administrator to execute a contract extension with BHC Rhodes to provide additional funding for construction observation services for the installation of the sanitary sewer main and lift station at Tuscan Farms.

## COUNCIL ACTION FORM

## CONSENT AGENDA ITEM NO. 7

**MEETING DATE:** APRIL 5, 2021

**STAFF CONTACT:** GONZ GARCIA, UTILITIES DIRECTOR

---

**Agenda Item:** Consider executing an agreement between WaterOne, Grata Development, LLC, and the City of Gardner associated with the Prairie Trace waterline extension project

**Strategic Priority:** Infrastructure and Asset Management

**Department:** Utility Department – Water Division

---

### **Staff Recommendation:**

Staff recommends authorizing the execution of an Inter-Governmental and Private Party Agreement between WaterOne, Grata Development, LLC and the City of Gardner associated with the Prairie Trace waterline extension.

### **Background/Description of Item:**

On October 7, 2019, City Council executed a Development Agreement with Grata Development (Day 3, LLC) in which the City would incur certain costs of Infrastructure improvements to the site such as electric, sanitary sewer and water improvements. The agreement stated the City shall incorporate the project site into its municipal water service area, and if not successful in this effort, water service to the site shall be provided by WaterOne

When approached by the City of Gardner, WaterOne indicated the service area was not transferrable. Since that time, City staff has worked with WaterOne to develop construction plans, perform land acquisition and create an Inter-Governmental Agreement for the proposed waterline extension.

- The agreement does not include projected cost increases to reflect current market value for PVC pipe needed for the project. These additional costs are caused by shortages and supply chain issues. Staff has included an additional \$70,000 above the agreement estimate for these costs; however, actual costs may vary
- Please additionally note there is currently a six (6) – eight (8) week lead time on some materials, including PVC pipe.

### **Financial Impact:**

On January 4, 2021, the City Council passed Ordinance No. 2691 authorizing the issuance of \$1,600,000 in General Obligation Bonds to finance water system improvements for the Prairie Trace development. Future annual debt service will be paid from the Water Fund.

### **Attachments included:**

- a. Inter-Governmental and Private Party Agreement
- b. Grata Development Agreement excerpt

### **Suggested Motion:**

Authorize the Mayor to execute an Inter-Governmental and Private Party Agreement between WaterOne, Grata Development, LLC and City of Gardner associated with the Prairie Trace waterline extension for an estimated cost of \$1,584,448.72.

**INTERGOVERNMENTAL AND PRIVATE PARTY AGREEMENT BETWEEN  
WATERONE, THE CITY OF GARDNER, KANSAS AND GRATA DEVELOPMENT  
FOR THE INSTALLATION OF WATER FACILITIES**

**THIS INTERGOVERNMENTAL AGREEMENT, hereinafter called "Agreement"** is made this \_\_\_\_ day of \_\_\_\_\_, 2021, by and between the City of Gardner, a municipal corporation of the State of Kansas, hereinafter called the "City," and Water District No. 1 of Johnson County, a quasi-municipal corporation of the State of Kansas, hereinafter called "WaterOne," and Grata Development, LLC, a Kansas Limited Liability Company, hereinafter called "Grata", collectively referred to hereinafter as the "Parties".

**WITNESSETH that:**

**WHEREAS**, the City has requested water facilities be installed in order to serve a development at the southwest corner of Clare Road and 175<sup>th</sup> Street owned and being developed by Grata Development, hereinafter called "Main Extension"; and

**WHEREAS**, the construction area is located in the vicinity of Sections 27, 28 & 29, Township 14, Range 23 in Gardner and Springhill Township, Johnson County, Kansas; and

**WHEREAS**, as part of the Main Extension, it is necessary to install new water facilities in public right-of-way or public utility easement, or located outside public right-of-way or public utility easement in a dedicated WaterOne easement; and

**WHEREAS**, the Parties are willing to undertake the Main Extension as subject to the terms and conditions of this Agreement; and

**WHEREAS**, the City and WaterOne have determined to enter into this Agreement for the aforesaid Grata Development as authorized and provided by K.S.A. 12-2908; and

**WHEREAS**, the governing body of the City did approve and authorize its Mayor to execute this Agreement by official vote of the body on the \_\_\_\_ day of \_\_\_\_\_, 2021; and;

**WHEREAS**, the governing body of WaterOne did approve and authorize its Board Chair to execute an Agreement by official vote of the body on the 13<sup>th</sup> day of October, 2020; and;

**NOW, THEREFORE**, in consideration of the above recitals, the mutual covenants and agreements herein contained, and for other good and valuable considerations, the parties hereto agree as follows:

1. **PURPOSE OF AGREEMENT.** The parties hereto enter into this Agreement for the purpose of performing the Main Extension.

2. **COST OF THE MAIN EXTENSION.**

- A. The costs of the Main Extension shall include, but are not limited to, labor and materials in the Main Extension work; design and construction engineering by WaterOne staff; project administration by City of Gardner and WaterOne; submittal review; construction inspection; material testing; as-built documentation; utility relocations; pavement removal and restoration; landscaping; irrigation; financing; monuments; traffic control; and other items incidental to the Main Extension.
- B. Estimated cost for construction and other expenses of the Main Extension is \$1,514,448.72.
- C. The cost of performing the Main Extension incurred by either the City or WaterOne shall be distributed between the parties as follows:
  - (1) The City agrees to pay 100% of the actual costs for installing the water facilities. The estimated costs for installation of these facilities is \$1,514,448.72 and costs shall be determined based on actual construction costs using WaterOne crews and/or the Contractor's unit prices and the quantities shown in Exhibit A as necessary for installing the Main Extension. Any material and labor cost increases will be borne by the City.

3. **FINANCING.** This section is reserved.

4. **ADMINISTRATION OF MAIN EXTENSION.**

This Agreement made and entered into by and between the Parties, shall govern the conditions of a Main Extension in consideration for payment by the City of all final costs of said Main Extension to provide domestic water service and fire protection to serve property which is described and identified as follows:

The property located at the Southwest Corner of Clare Road and 175th St.; Township 14 Range 23 Section 29.

The parties agree to the following:

- A. WaterOne has estimated that it will be necessary to install an extension of 8,360 linear feet of 16-inch water main and 2,680 linear feet of 12-inch water main at a total estimated cost, including overheads, of \$1,514,448.72 to serve the above described property.
- B. The City has simultaneously, with the execution and delivery of the Agreement paid to WaterOne a deposit, in cash or its equivalent, the amount of the estimated

cost, which WaterOne will retain without interest, but subject to Paragraph 4 in the event of overestimation as hereinafter provided.

- C. WaterOne shall proceed with due diligence to complete the Main Extension after WaterOne's site readiness requirements have been met.
- D. After completion of the work, WaterOne will determine the actual cost of the Main Extension including overheads. If the actual cost is less than the estimated cost, WaterOne will refund the difference to the City. If the actual cost is greater than the estimated cost, the City shall pay the difference to WaterOne.
- E. WaterOne shall retain full ownership of the Main Extension, fire hydrants, and other appurtenances, free of any liens and encumbrances, and it shall have the right to repair or replace said Main Extension at any time without consideration for the City, Grata or any water consuming customer or customers; also, WaterOne shall have the right to extend any water main installed pursuant to this Agreement in or to other lands, streets or avenues, and the City, Grata or any customer shall not, by reason thereof, be entitled to any reimbursement or payment.
- F. All decisions regarding the manner of installation of said mains, the type of materials to be used therein and the maintenance thereof shall be and shall so remain at the exclusive discretion and under the sole control of WaterOne.
- G. This Agreement does not include any costs for fire or domestic service connections. Application and payment to WaterOne for any required fire or domestic water service connections shall be entirely separate from this Agreement.
- H. This Agreement shall be subject to the Rules and Regulations of WaterOne in effect at the date of this Agreement and as may be amended from time to time and recorded in WaterOne's Administrative Office, and which are made a part hereof by reference.
- I. The Agreement must be executed on or before \_\_\_\_\_, 2021 to keep the estimated costs as current as practical. After that date, if WaterOne determines the actual cost to perform the work exceeds the original estimated cost set forth herein, WaterOne reserves the right to require this Agreement be amended or a new Agreement be executed.
- J. If the City delays WaterOne from completing construction within six months from the date of acceptance of this Agreement, then WaterOne may either rescind or terminate this Agreement and refund any unexpended deposit or drawn funds or require an amendment to increase the estimate and deposit to offset cost increases in water main construction costs.
- K. The City shall provide surveying services as required by WaterOne for the Main Extension outside of the Grata Project Boundaries as described in Exhibit B. Grata shall provide surveying services as required by WaterOne for the Main Extension within the Grata Project Boundaries. The City and Grata shall provide the name of their respective surveying companies and contact information to WaterOne. The City and Grata's respective surveyors shall bill the City and Grata respectively directly for all surveying services rendered in relation to this Agreement, and City agrees to be responsible for all engineering expenses incurred. The respective surveyor shall immediately notify WaterOne of any water mains or appurtenances that were not installed as staked.

- L. If the Main Extension will be installed in a Later-to-Be-Defined Easement within the Project Boundaries, Grata's surveyor shall provide the legal description of WaterOne's easement within 30 days of the completion of the Main Extension.
  - M. Within the Project Boundaries, Grata agrees that WaterOne shall be the sole and exclusive judge as to the necessity for realignment or change in grade of the water main extension and appurtenances after completion of Grata's project, and Grata accepts responsibility for errors in WaterOne's system design that are caused by errors, omissions or changes in the site development plans or any other information submitted by Grata to WaterOne, upon which WaterOne's system design is based. Grata shall be responsible for misinterpretation by WaterOne of survey stakes, pins, or other means of layout unless the misinterpretation is due to gross negligence by WaterOne.
5. **FUTURE RELOCATIONS.** Within City boundaries, the City may, in the future, elect to require WaterOne to relocate its water facilities to other areas within the expanded right-of-way or public utility easements to avoid conflict with any future road improvements by the City and to specific locations to be agreed upon by both the City and WaterOne. In such event if the facilities originated inside public right-of-way or public utility easements, the entire cost of any such future relocation shall be born entirely by the City. In such event, WaterOne shall account to the City for all costs incurred in relocating, constructing and connecting those portions of the relocated facilities, which costs shall be fully indemnified to WaterOne by the City.
  6. **OWNERSHIP OF THE MAIN EXTENSION.** WaterOne shall have and retain full and complete title and ownership of the Main Extension, now and into the future, pursuant to this Agreement.
  7. **ACCOUNTING AND PAYMENT OF FINAL COSTS.** WaterOne shall reimburse the City in accordance with item 2.C.(1) for the difference between the actual costs and the cost paid through previous payment requests, not later than thirty (30) days following receipt of notification by WaterOne. The City shall reimburse WaterOne for any costs exceeding the original estimate, not later than thirty (30) days following receipt of notification by WaterOne.
  8. **CREATION OF BENEFIT AREA.** The City may elect to create a Benefit Area(s) pursuant to WaterOne Rules & Regulations to include the cost of the Main Extension. Should the City desire to create Benefit Area(s), the City and WaterOne shall enter into Benefit Area Agreement(s). Grata consents to the establishment of any said benefit area. If such Benefit Area(s) are established, neither the City nor Grata nor any Grata affiliate, successor, or assign shall be required to pay to connect to the Main Extension within the Project Boundaries to provide water service to all or any portion of the property described on Appendix B attached hereto.

- 9. TERMINATION OF AGREEMENT.** This Agreement may only be terminated by mutual written consent of the parties.
- 10. PLACING AGREEMENT IN FORCE.** The City and Grata shall cause this Agreement to be executed in six original copies. Each party hereto shall receive two duly executed copies of this Agreement for their official records.
- 11. NOTIFICATION.** For purposes of this Agreement, any required notices shall be deemed sufficiently given the third day following deposit in the U.S. mail, certified, return receipt requested, postage prepaid, and addressed as follows:

If to WaterOne:

Water District No. 1 of Johnson County  
 Dan Smith, P.E.  
 Director of Distribution  
 10747 Renner Boulevard  
 Lenexa, Kansas 66219

If to the City:

City of Gardner  
 Gonzalo Garcia  
 Utilities Director  
 1150 E. Santa Fe Street  
 Gardner, Kansas 66030

If to Grata Development:

[Add contact information]

Notice shall also be deemed sufficiently given upon actual delivery by reliable courier service or other method.

- 12. EFFECTIVE DATE.** The City, Grata and WaterOne have executed this Agreement as of the date of acceptance by WaterOne.

**IN WITNESS WHEREOF**, the above and foregoing Agreement has been executed by the authority of their respective governing bodies the day and year first above written.

## Grata Development Agreement Excerpt

“Sewer Improvements” means, subject in all respects to finalizing design and obtaining approvals from the Kansas Department of Health and Environment, the trunk lines and related appurtenances as generally depicted on **Exhibit C** attached hereto and which are necessary, in the City’s reasonable discretion (including discretion as to the need for, and locations of, any and all lift stations, package plants, force mains, and similar improvements), to provide adequate sanitary sewer service to the Project Site to accommodate all of the uses identified in Section 2.01 hereof. The Sewer Improvements shall not include non-trunk sewer lines necessary to provide service within the Project Site.

“State” means the State of Kansas.

“Street Improvements” means, collectively, (i) the Phase A Arterial; (ii) the Phase B Arterial; (iii) the public street improvements, including such turn lanes and appurtenances as are required by Applicable Law and Requirements, as generally depicted in yellow on **Exhibit E** attached hereto; and (iv) the private street improvements, including such turn lanes and appurtenances as are required by Applicable Law and Requirements, as generally depicted in purple on **Exhibit F** attached hereto.

“Term” means that certain period from the Effective Date through that date on which this Agreement expires as set forth in Section 6.01 hereof.

“Water Improvements” means: (i) if the City extends its municipal water service to the Project Site, the trunk line as generally depicted on **Exhibit D** attached hereto together with related appurtenances which are necessary, in the City’s reasonable discretion, to provide adequate water services to the Project Site to accommodate all of the uses identified in Section 2.01 hereof; or (ii) if water service to the Project Site is provided by WaterOne, such water line extension and related appurtenances which are necessary, in the City’s reasonable discretion, to provide water service to the Project Site to the point on the west side of Clare Road labeled “Point #1” on **Exhibit D** attached hereto. The Water Improvements shall not include non-trunk water lines necessary to provide service within the Project Site.

**COUNCIL ACTION FORM**  
**MEETING DATE: APRIL 5, 2021**  
**STAFF CONTACT: KELLEN HEADLEE, PUBLIC WORKS DIRECTOR**

**CONSENT AGENDA ITEM NO. 8**

---

**Agenda Item:** Consider authorizing the execution of a contract with Gardner Disposal, Inc. for the 2021 City-Wide Clean Up

**Strategic Priority:** Quality of Life and Fiscal Stewardship

**Department:** Public Works

---

**Staff Recommendation:**

Staff recommends authorizing the City Administrator to execute a contract with Gardner Disposal, Inc. for the 2021 City-Wide Clean Up for a guaranteed total of \$40,000.00, and authorize the City Administrator to approve additional costs at \$200.00 per ton based on actual tonnage collected.

**Background/Description of Item:**

The 2020 City-Wide Clean Up event was deferred due to both the COVID-19 pandemic and a significant increase in program costs resulting in an estimated total cost of \$77,000, more than double the 2020 budgeted amount of \$36,000. Since 2015, debris tonnage collected through the large item pickup has increased on a yearly basis, more than doubling between 2016 and 2019. Additionally, the cost per ton has increased most years as well. Previous years' actual and projected costs are shown in the chart below.

Year	Price per ton	Tonnage collected	Total cost
2015	N/A	N/A	\$10,703
2016	\$120	150	\$17,940
2017	\$150	246	\$37,000
2018	\$150	254	\$38,080
2019	\$175	342	\$59,805
2020	\$220 (bid price)	350 (estimated)	\$77,000 (estimated)

In an effort to keep event costs within budgeted parameters, staff suggested changes to the program in 2021 that would mitigate the tonnage collected and the total expense while still providing large item collection services to residents. These expense mitigation steps were consistent with those of other Johnson County cities and include:

- Strictly limiting construction debris;
- Limiting the number of items that may be placed on the curb for pickup; and
- Limiting the type of items that may be placed on the curb for pickup.

The attached bid form details the items that will and will not be collected, including size and weight restrictions on each item.

Invitations to Bid were sent to Gardner Disposal Inc. and Waste Management, Inc. These are the only two (2) currently operational disposal companies that have submitted bids for the Gardner City-Wide Clean Up in previous years. Bidders were asked to

submit a price per ton to provide curbside collection and disposal of residential debris on Saturday, May 8th, 2021, or the nearest available date. One bid was received by the March 19 deadline. One company declined to bid as noted below:

Company	Bid Price Per Ton	Notes
Gardner Disposal Inc.	\$200/ton	Will begin May 8, returning May 22 for completion
Waste Management, Inc.	No bid	Declined to bid based on limited work force due to Covid-19

**Financial Impact:**

Funding for this event is available from the 2021 Street Department Budget, line item 001-3120-431.40-02, which includes \$55,000.00 for the clean-up. The stated minimum guaranteed tonnage for the clean-up is 200 tons, with a guaranteed price of \$40,000.00 at the \$200.00 per ton bid price.

The actual cost of the clean-up will be based on the total amount of debris collected. Based on the additional restrictions on items to be collected and past collection amounts, staff estimates 250 tons as the likely collection amount, which would be an additional \$10,000.00 above the guaranteed minimum. Because of the uncertainty associated with the new restrictions, past actual tonnage values, and the fact that the 2020 event was deferred, staff recommends authorizing a contingency based on a 400 ton actual pick-up, which would be an additional \$40,000.00 above the guaranteed minimum.

**Attachments included:**

- Bid Form and Bid from Gardner Disposal Inc.

**Suggested Motion:**

Authorize the City Administrator to execute a contract with Gardner Disposal, Inc. for the 2021 City-wide Clean Up for a guaranteed total of \$40,000.00 and authorize the City Administrator to approve additional costs at \$200.00 per ton based on actual tonnage collected

## BID FORM

### PROJECT: 2021 SPRING CITYWIDE CLEAN-UP

---

The undersigned Bidder hereby proposes to furnish and deliver to the City of Gardner, Kansas, the following service in the designated quantities in accordance with the Specifications, Bidding Documents and other Contract Documents, and within the time period specified herein, in consideration of the prices as follows:

Provide a one-time, city wide, residential curbside pickup for the disposal of residential debris.

Items to collect:

- Up to 4 (four) bulky items not collected by curbside trash service including:
- Furniture (a four piece sectional = item collection limit)
- Mattress and box springs
- BBQ Grills (no propane tanks)
- Basketball goals (cut in half, no concrete)
- Swing sets (broken down and bundled)
- Carpet rolls: 4 ft long, and less than 651bs
- Only those items not collected by regular trash service

Items and Materials which will **NOT** be collected include:

- More than 4 Items
- Items weighing more than 150 pounds
- Household Appliances and Electronics, refrigerators, freezers, air conditioners, etc
- Yard waste, tree limbs, or stumps
- Hazardous materials (including tires, car batteries, liquids, paint, refrigerants, solvents, oils, or other hazardous materials)
- Decking, fencing, lumber, RR ties
- Glass (unless broken down and boxed)
- Construction or Demolition Debris
- Domestic Trash, No Bagged Items Allowed
- Commercial Debris

All items will be placed within three feet (3') of the curb, and any containers shall be no heavier than sixty-five pounds (65 lbs). Items over 6 ft should be cut in half. Items to be collected must be able to be lifted by two (2) men. The disposal company will be responsible for going back one time the first of the following week and pick up items, identified by the City, by specific addresses presumably missed the day of the pick-up.

Disposal company shall keep a log of items left due to more than 4 items, or materials which are not to be collected.

This pick-up shall include the entire city (see attached map of pick-up area), and be completed by a multiple number of trucks starting at 7:00 A.M. on Saturday, May 8<sup>th</sup> + May 22<sup>nd</sup>, 2021. This pick-up should be completed by 5:00 PM on the same day. **If multiple days are required for clean-up, please provide the consecutive dates you are available** for times between May 8 and June 12, 2021.

The estimated quantity is 250 tons. The city will pay for this service by the price per ton of material picked up, based on records provided by the disposal company. The city guarantees a minimum of 200 tons.

## COUNCIL ACTION FORM

## NEW BUSINESS ITEM No. 1

**MEETING DATE:** APRIL 5, 2021

**STAFF CONTACT:** DAVID KNOPICK, COMMUNITY DEVELOPMENT DIRECTOR

---

**Agenda Item:** Consider accepting a voluntary annexation with landowner consent

**Strategic Priority:** Promote Economic Development

**Department:** Community Development

---

### **Staff Recommendation:**

Staff recommends adopting an ordinance for a voluntary annexation a parcel of land as described in the ordinance, annexing that part known Hatton Estates, Lot 1.

### **Background/Description of Item:**

A request to voluntarily annex the above tract was received by the City, signed by Shawn Hatton, owner. The property adjoins land already in the City of Gardner and therefore can be annexed upon receipt of a voluntary annexation request from the property owners.

The attached Voluntary Consent Annexation Agreements outline the terms agreed upon by the City and the property owner as conditions for this consent annexation. The terms are consistent with the direction of the governing body regarding annexation of rural properties in the City's planning and growth area. Consent annexations are not subject to resolution, notice, public hearing, and extension of services plan requirements that may apply to other annexations.

### **Financial Impact:**

The city will experience normal growth in its utilities structure.

### **Attachments included:**

- Map of Tract
- Consent Annexation Request
- Ordinance No. 2696

### **Suggested Motion:**

Accept the Voluntary Consent Annexation request of Shawn Hatton and adopt Ordinance No. 2696, an ordinance annexing land to the City of Gardner, Kansas.

CONSENT FOR ANNEXATION

(Adjoining property by request)

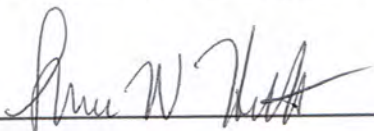

To: The Governing Body of the City of Gardner, Kansas.

The undersigned owners of record of the following described land hereby petition the Governing Body of the City of Gardner, Kansas to annex such land to the city. The land to be annexed is described as follows:

Legal Description: See Attached

Such land lies upon or touches the city boundary line.

The undersigned further warrant and guarantee that they are the only owners of record of the land. Signed this 16<sup>th</sup> day of September, 2020.

## EXHIBIT A

The Land is described as follows:

Tract A, as shown on the Certificate of Survey filed October 9, 2019 in Book 201910 at page 002932 more particularly described as follows:

All that part of the West Half of the Northwest Quarter of Section 22, Township 14 South, Range 22 East, Johnson County, Kansas, described as follows: Beginning at the Northwest corner the of the Northwest Quarter of said Section 22; thence North 88 degrees 16 minutes 55 seconds East, along the North line of the Northwest Quarter of said Section 22, a distance of 652.13 feet; thence South 1 degree 43 minutes 05 seconds East, a distance of 142.44 feet; thence South 54 degrees 07 minutes 26 seconds West, a distance of 247.56 feet; thence South 17 degrees 40 minutes 26 seconds West, a distance of 899.98 feet; thence South 25 degrees 28 minutes 37 seconds West, a distance of 300.35 feet to a point on the West line of the Northwest Quarter of said Section 22; thence North 2 degrees 10 minutes 37 seconds West, along the West line of the Northwest Quarter of said Section 22, a distance of 1397.56 feet to the point of beginning, except that part in road.

## **ORDINANCE NO. 2696**

AN ORDINANCE ANNEXING LAND TO THE CITY OF GARDNER, KANSAS.

WHEREAS, the following described land is located in Johnson County, Kansas;

WHEREAS, a written petition and/or consent for annexation of the following described land, signed by all of the owners thereof, have been filed with the City of Gardner, Kansas pursuant to K.S.A. 12-520(a)(7), as amended; and

WHEREAS, the governing body of the City of Gardner, Kansas, finds it advisable to annex such land.

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF GARDNER, KANSAS:

Section 1. That the following described land is hereby annexed and made a part of the City of Gardner, Kansas:

TRACT A: as shown on the Certificate of Survey filed October 9, 2019 in Book 201910 at page 002932 more particularly described as follows:

Legal Description:

All that part of the West Half of the Northwest Quarter of Section 22, Township 14 South, Range 22 East, Johnson County, Kansas, described as follows: Beginning at the Northwest corner of the Northwest Quarter of said Section 22; thence North 88 degrees 16 minutes 55 seconds East, along the North line of the Northwest Quarter of said Section 22, a distance of 652.13 feet; thence South 1 degree 43 minutes 05 seconds East, a distance of 142.44 feet; thence South 54 degrees 07 minutes 26 seconds West, a distance of 247.56 feet; thence South 17 degrees 40 minutes 26 seconds West, a distance of 899.98 feet; thence South 25 degrees 28 minutes 37 seconds West, a distance of 300.35 feet to a point on the West line of the Northwest Quarter of said Section 22; thence North 2 degrees 10 minutes 37 seconds West, along the West line of the Northwest Quarter of said Section 22, a distance of 1397.56 feet to the point of beginning except that part in road.

Section 2. That this ordinance shall be effective from and after its passage, approval and publication in the official city newspaper.

PASSED AND APPROVED by the Governing Body of the City of Gardner, Kansas this

\_\_\_ Day of \_\_\_\_\_, 2021.

## COUNCIL ACTION FORM

## NEW BUSINESS ITEM No. 2

**MEETING DATE:** APRIL 5, 2021

**STAFF CONTACT:** JAMES PRUETTING, CITY ADMINISTRATOR

---

**Agenda Item:** Consider adopting an ordinance amending section 9.20.020(A) of the Gardner Municipal Code relating to exemptions to open burn permits

**Strategic Priority:** Quality of Life

**Department:** Administration

---

**Staff Recommendation:**

Staff recommends Council adopt an ordinance amending GMC 9.02.020(A) and removing a prohibition against burning on Sundays and federal holidays.

**Background/Description of Item:**

The City of Gardner is the only jurisdiction within Johnson County Fire District One that prohibits open burning with a burn permit on Sundays and federal holidays.

The updated ordinance removes this prohibition while maintaining all other provisions for receiving a permit for open burning.

Fire Chief Kirk of Johnson County Fire District One supports this change.

**Financial Impact:**

None

**Attachments Included:**

- Ordinance No. 2697

**Suggested Motion:**

Adopt Ordinance No. 2697, an Ordinance amending section 9.20.020 of the Gardner Municipal Code relating to the exemptions to open burning prohibitions

# BURNING PERMIT

## INTERNATIONAL FIRE CODE / JOHNSON COUNTY KANSAS OPEN BURNING REGULATIONS

IFC Sec. 105.6.31 An operational permit is required for the kindling or maintaining of an open fire or a fire on any public street, alley, road, or other public or private ground. Instructions and stipulations of the permit shall be adhered to.

IFC Sec. 307

**General.** A person shall not kindle or maintain or authorize to be kindled or maintained any open burning unless conducted and approved In accordance with this section.

**Authorization.** Where required by state or local law or regulations, open burning shall only be permitted with prior approval from the state or local air and water quality management authority, provided that all conditions specified in the authorization are followed.

**Prohibited Open Burning.** Open burning that will be offensive or objectionable due to smoke or odor emissions when atmospheric conditions or local circumstances make such fires hazardous shall be prohibited. Items such as petroleum products, tires, tarpaper, aerosol cans, and treated lumber shall not be burned. A person shall not conduct burning operations during periods when surface winds exceed 15 miles per hour. The code official\* is authorized to order the extinguishment by the permit holder or the fire department of open burning, which creates or adds to a hazardous or objectionable situation.

**Location.** The location for open burning shall not be less than 100 feet from any structure, and provisions shall be made to prevent the fire from spreading to within 100 feet of any structure.

**Attendance.** Open burning, bonfires or recreational fires shall be constantly attended until the fire is extinguished. Approved on-site fire-extinguishing equipment, such as dirt, sand, water barrel, garden hose or water truck, shall be available for immediate utilization.

**Duration of Permit.** Shall be for same day, dawn to dusk, unless otherwise stipulated by the issuing Fire District Officer.

Violation of the conditions of this permit may result in a Class I Infraction with a standard fine of \$500.00.

\*Fire Department Officials have full and complete authority

## **ORDINANCE NO. 2697**

### **AN ORDINANCE AMENDING SECTION 9.20.020 OF THE GARDNER MUNICIPAL CODE RELATING TO THE EXEMPTIONS TO OPEN BURNING PROHIBITIONS.**

WHEREAS, THE CITY OF GARDNER, KANSAS, REGULATES OPEN BURNING; AND

WHEREAS, IT IS THE INTENT OF THE GOVERNING BODY TO ACCOMPLISH A GENERAL HOUSEKEEPING ORDINANCE TO UPDATE THE CITY'S ORDINANCE RELATED TO OPEN BURNING;

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF GARDNER, KANSAS:

**SECTION ONE:** Chapter 9.20.020(A) is hereby amended to read as follows:

#### **9.20.020(A) - Burn Permit Required**

A. Burn Permit Required. The Fire Chief and/or designee are hereby authorized to issue the following categories of open burning permits to allow open burning as described. Each permit requires a prior site inspection and is subject to the conditions of this chapter, any requirements listed on the permit, and all oral directives of the Fire Chief. Burning is permitted between the hours of sunrise to 5:00 p.m. Any complaints from residents due to smoke and/or odor will result in extinguishment by Fire District No. 1. All burn permits are for one day. The City's Public Officer will coordinate with the Fire District to ensure that burn permits are not issued in conflict with existing City of Gardner actions against a property, by notifying the Fire District of properties that are not allowed to have burn permits issued due to other violations of the Gardner Municipal Code. The Public Officer will also notify Fire District No. 1 of issues they encounter in the course of regular business operations that need immediate follow up by Fire District No. 1 related to this section.

1. Residential Permit. For open burning of natural land clearance materials with the exception of leaves which is strictly prohibited. Residential open burning must not occur within 50 feet of any structure, vehicle, or combustible material, or within 100 feet of any structure which is not on the same property. Burn only when wind speed is between five to 15 m.p.h.

2. Agricultural Permit. For open burning of vegetation such as grass, woody species, crop residue and other dry plant growth for agricultural purposes, agricultural open burning must not occur within 100 feet of the structure and/or roadway, and may be subject to additional approvals from the Johnson County Environmental Department and/or Fire District No. 1. Burn only when wind speed is between five to 15 m.p.h.

3. Commercial Permit. For open burning of land clearance materials for commercial purposes, commercial open burning must not occur within 100 feet of any structure and/or roadway and may require the use of an air curtain destructor and/or pit, as determined in the sole discretion of the Fire Chief and/or designee. Commercial burns may be subject to additional approvals from the Johnson County Environmental Department and/or Fire District No. 1.

4. Recreational Permit. For open burning of campfires and other similar small recreational fires made of firewood, recreational open burning must not occur within 25 feet of any structure, vehicle or combustible material

**SECTION TWO:** The remainder of GMC 9.20.020 shall remain in full force and effect.

**SECTION THREE:** All other ordinances not in conformity herewith are hereby repealed or amended to conform hereto.

**SECTION FOUR:** Effective Date. This Ordinance shall take effect and be in force upon its passage by the City Council and publication in the official City Newspaper as required by law.

PASSED by the City Council this 5<sup>th</sup> day of April, 2021.

SIGNED by the Mayor this 5<sup>th</sup> day of April, 2021.
